

Federal Deposit Insurance Corporation

§ 369.2

comprehensive portfolio information in connection with discussing recommended transactions or has not been provided important information regarding its portfolio or investment objectives.

(j) Banks are reminded that these factors are merely guidelines that will be utilized to determine whether a bank has fulfilled its suitability obligation with respect to a specific institutional customer transaction and that the inclusion or absence of any of these factors is not dispositive of the determination of suitability. Such a determination can only be made on a case-by-case basis taking into consideration all the facts and circumstances of a particular bank/customer relationship, assessed in the context of a particular transaction.

(k) For purposes of the interpretation in this section, an institutional customer shall be any entity other than a natural person. In determining the applicability of the interpretation in this section to an institutional customer, the FDIC will consider the dollar value of the securities that the institutional customer has in its portfolio and/or under management. While the interpretation in this section is potentially applicable to any institutional customer, the guidance contained in this section is more appropriately applied to an institutional customer with at least \$10 million invested in securities in the aggregate in its portfolio and/or under management.

PART 369—PROHIBITION AGAINST USE OF INTERSTATE BRANCHES PRIMARILY FOR DEPOSIT PRODUCTION

Sec.

369.1 Purpose and scope.

369.2 Definitions.

369.3 Loan-to-deposit ratio screen.

369.4 Credit needs determination.

369.5 Sanctions.

AUTHORITY: 12 U.S.C. 1819 (Tenth) and 1835a.

SOURCE: 62 FR 47737, Sept. 10, 1997, unless otherwise noted.

§ 369.1 Purpose and scope.

(a) *Purpose.* The purpose of this part is to implement section 109 (12 U.S.C.

1835a) of the Riegle-Neal Interstate Banking and Branching Efficiency Act of 1994 (Interstate Act).

(b) *Scope.* (1) This part applies to any State nonmember bank that has operated a covered interstate branch for a period of at least one year.

(2) This part describes the requirements imposed under 12 U.S.C. 1835a, which requires the appropriate Federal banking agencies (the FDIC, the Office of the Comptroller of the Currency, and the Board of Governors of the Federal Reserve System) to prescribe uniform rules that prohibit a bank from using any authority to engage in interstate branching pursuant to the Interstate Act, or any amendment made by the Interstate Act to any other provision of law, primarily for the purpose of deposit production.

§ 369.2 Definitions.

For purposes of this part, the following definitions apply:

(a) *Bank* means, unless the context indicates otherwise:

(1) A State nonmember bank; and

(2) A foreign bank as that term is defined in 12 U.S.C. 3101(7) and 12 CFR 346.1(a).

(b) *Covered interstate branch* means any branch of a State nonmember bank, and any insured branch of a foreign bank licensed by a State, that:

(1) Is established or acquired outside the bank's home state pursuant to the interstate branching authority granted by the Interstate Act or by any amendment made by the Interstate Act to any other provision of law; or

(2) Could not have been established or acquired outside of the bank's home state but for the establishment or acquisition of a branch described in paragraph (b)(1) of this section.

(c) *Home state* means:

(1) With respect to a state bank, the state that chartered the bank;

(2) With respect to a national bank, the state in which the main office of the bank is located; and

(3) With respect to a foreign bank, the home state of the foreign bank as determined in accordance with 12 U.S.C. 3103(c) and 12 CFR 346.1(j).

(d) *Host state* means a state in which a bank establishes or acquires a covered interstate branch.

§ 369.3

12 CFR Ch. III (1–1–02 Edition)

(e) *Host state loan-to-deposit ratio* generally means, with respect to a particular host state, the ratio of total loans in the host state relative to total deposits from the host state for all banks (including institutions covered under the definition of “bank” in 12 U.S.C. 1813(a)(1)) that have that state as their home state, as determined and updated periodically by the appropriate Federal banking agencies and made available to the public.

(f) *State* means state as that term is defined in 12 U.S.C. 1813(a)(3).

(g) *Statewide loan-to-deposit ratio* means, with respect to a bank, the ratio of the bank’s loans to its deposits in a state in which the bank has one or more covered interstate branches, as determined by the FDIC.

§ 369.3 Loan-to-deposit ratio screen.

(a) *Application of screen.* Beginning no earlier than one year after a bank establishes or acquires a covered interstate branch, the FDIC will consider whether the bank’s statewide loan-to-deposit ratio is less than 50 percent of the relevant host state loan-to-deposit ratio.

(b) *Results of screen.* (1) If the FDIC determines that the bank’s statewide loan-to-deposit ratio is 50 percent or more of the host state loan-to-deposit ratio, no further consideration under this part is required.

(2) If the FDIC determines that the bank’s statewide loan-to-deposit ratio is less than 50 percent of the host state loan-to-deposit ratio, or if reasonably available data are insufficient to calculate the bank’s statewide loan-to-deposit ratio, the FDIC will make a credit needs determination for the bank as provided in § 369.4.

§ 369.4 Credit needs determination.

(a) *In general.* The FDIC will review the loan portfolio of the bank and determine whether the bank is reasonably helping to meet the credit needs of the communities in the host state that are served by the bank.

(b) *Guidelines.* The FDIC will use the following considerations as guidelines when making the determination pursuant to paragraph (a) of this section:

(1) Whether covered interstate branches were formerly part of a failed or failing depository institution;

(2) Whether covered interstate branches were acquired under circumstances where there was a low loan-to-deposit ratio because of the nature of the acquired institution’s business or loan portfolio;

(3) Whether covered interstate branches have a high concentration of commercial or credit card lending, trust services, or other specialized activities, including the extent to which the covered interstate branches accept deposits in the host state;

(4) The Community Reinvestment Act (CRA) ratings received by the bank, if any, under 12 U.S.C. 2901 *et seq.*;

(5) Economic conditions, including the level of loan demand, within the communities served by the covered interstate branches;

(6) The safe and sound operation and condition of the bank; and

(7) The FDIC’s Community Reinvestment regulations (12 CFR Part 345) and interpretations of those regulations.

§ 369.5 Sanctions.

(a) *In general.* If the FDIC determines that a bank is not reasonably helping to meet the credit needs of the communities served by the bank in the host state, and that the bank’s statewide loan-to-deposit ratio is less than 50 percent of the host state loan-to-deposit ratio, the FDIC:

(1) May order that a bank’s covered interstate branch or branches be closed unless the bank provides reasonable assurances to the satisfaction of the FDIC, after an opportunity for public comment, that the bank has an acceptable plan under which the bank will reasonably help to meet the credit needs of the communities served by the bank in the host state; and

(2) Will not permit the bank to open a new branch in the host state that would be considered to be a covered interstate branch unless the bank provides reasonable assurances to the satisfaction of the FDIC, after an opportunity for public comment, that the bank will reasonably help to meet the credit needs of the community that the new branch will serve.
